Chapter 1: Planning Your Mid Century Ranch Home

In this chapter, we'll cover the basics of planning your mid century ranch home. We'll discuss the different types of floor plans, the most popular features, and how to choose the right lot for your home. We'll also provide tips on how to make your home energy-efficient and sustainable.

Chapter 2: Designing Your Mid Century Ranch Bedroom

Your bedroom is your sanctuary, so it's important to design it to be comfortable and stylish. In this chapter, we'll provide tips on how to choose the right furniture, bedding, and accessories for your bedroom. We'll also discuss the different types of lighting and how to use them to create the perfect ambiance.

Chapter 3: Designing Your Mid Century Ranch Bathrooms

Your bathrooms should be both functional and stylish. In this chapter, we'll provide tips on how to choose the right fixtures, tile, and accessories for your bathroom. We'll also discuss the different types of bathroom layouts and how to make the most of your space.

Chapter 4: Dual Family Living

If you're planning to build a dual family home, there are a few things you need to consider. In this chapter, we'll discuss the different types of dual family homes, the advantages and disadvantages of each type, and how to design your home to accommodate your needs.

Chapter 5: House Plans

This chapter includes detailed house plans for eight different mid century ranch homes. Each plan includes floor plans, elevations, and cross sections. You can use these plans to get started on your own home design or to get ideas for how to modify an existing plan.

We hope that you've found this book helpful. If you have any questions, please don't hesitate to contact us. We're here to help you build your dream home.
