

It Is Not Too Late Yet: A Journey of Hope and Healing after Abortion

Abortion is a complex and often controversial issue. There are many different opinions about it, and it can be difficult to know what to think or how to feel. If you have had an abortion, you may be struggling with feelings of guilt, shame, regret, or even grief. You may feel like you are alone and that no one understands what you are going through.

Deforestation, Climate Change and Global Warming: It is not too late yet by Linda S. Godfrey

I want you to know that you are not alone. There are millions of women who have had abortions. And there are people who care about you and want to help you heal.

This book is a message of hope and healing for women who have had abortions. It is written by a woman who has been through the experience herself and who now wants to help others find peace and healing.

In this book, you will find:

- A safe and supportive space to share your story
- Practical tools for healing from the emotional and psychological effects of abortion
- Stories from other women who have been through the same experience
- A message of hope and redemption

If you have had an abortion, I encourage you to read this book. It may be the first step on your journey to healing.

About the Author

The author of this book is a woman who has had an abortion. She has also struggled with the emotional and psychological effects of abortion. Through her own journey of healing, she has found hope and redemption. She now wants to share her story with other women who have had abortions.

The author is a licensed professional counselor and a certified trauma therapist. She has worked with hundreds of women who have had abortions. She is passionate about helping women heal from the emotional and psychological effects of abortion.

Endorsements

"This book is a valuable resource for women who have had abortions. It provides a safe and supportive space to share their stories and offers practical tools for healing." - Dr. Jane Doe, licensed professional counselor

"This book is a beacon of hope for women who have had abortions. It is a reminder that there is healing and redemption after abortion." - Mary Smith, a woman who has had an abortion
