Pelosi was born in Baltimore, Maryland, in 1940. Her father was a Democratic congressman, and her mother was a homemaker. Pelosi grew up in a politically active family, and she developed a strong interest in politics from an early age. She attended Trinity College in Washington, D.C., where she studied political science. After graduating from college, Pelosi worked as a staff member for several Democratic politicians.

In 1987, Pelosi was elected to the San Francisco Board of Supervisors. She served on the board for six years, and she became known for her work on issues such as affordable housing and healthcare. In 1992, Pelosi was elected to the U.S. House of Representatives. She quickly rose through the ranks of the Democratic Party, and she became the House Minority Leader in 2003.

In 2007, Pelosi became the first woman to serve as Speaker of the House. She was elected to the position by a vote of 233 to 202. Pelosi's Speakership was marked by a number of significant accomplishments. She led the passage of the Affordable Care Act, which extended health insurance coverage to millions of Americans. She also worked to combat climate change and to promote economic justice.

Pelosi stepped down as Speaker of the House in 2019. However, she continues to serve as a member of the House of Representatives. She is a respected leader within the Democratic Party, and she remains a powerful voice for progressive causes.
