Written by experts in the field of adoption, this book covers everything from pre-adoption preparation to post-adoption adjustment, and everything in between. It provides practical advice and support on:

- Preparing for adoption: What to expect, how to choose an adoption agency, and how to create a positive adoption story

- Understanding the special needs of adopted children: Attachment issues, trauma, and other challenges
- Parenting strategies for adopted children: How to build a strong attachment, discipline effectively, and support their emotional development
- Post-adoption adjustment: Helping your child thrive in their new family and community

Raising Adopted Children, Revised Edition is an essential resource for every adoptive parent. It provides the knowledge, skills, and support you need to create a loving and supportive home for your adopted child.

Praise for Raising Adopted Children

"This book is an invaluable resource for adoptive parents. It provides practical advice and support on every aspect of parenting adopted children."

— **American Academy of Adoption Attorneys**

"Essential reading for adoptive parents. Raising Adopted Children is a comprehensive guide to helping your child thrive in their new family."
