In *The Sixty Year Search for the Missing Men of World War II*, author John C. McManus tells the story of the families who have never given up hope of finding their loved ones. He follows their journeys as they search for answers, uncover new evidence, and keep the memory of their missing men alive.

McManus also reveals the behind-the-scenes story of the search for the missing men. He tells the story of the dedicated teams of researchers,

historians, and archaeologists who have worked tirelessly to find the remains of the missing and bring them home to their families.

*The Sixty Year Search for the Missing Men of World War II* is a powerful and moving story of love, loss, and hope. It is a story that will resonate with anyone who has ever lost a loved one in war.

## **The Missing Men**

More than 73,000 American servicemen are still missing from World War II. These men come from all walks of life. They are fathers, husbands, brothers, and sons. They are from every state in the Union. They are of all races and religions.

These men fought and died for their country. They deserve to be remembered. Their families deserve to know what happened to them.

## **The Search**

The search for the missing men of World War II has been going on for sixty years. It is a slow and painstaking process. But it is a process that is driven by love and hope.

The search teams use a variety of methods to find the missing men. They use ground-penetrating radar to search for buried remains. They use aerial photography to identify potential burial sites. They interview witnesses and consult historical records.

The search teams have made significant progress in recent years. They have found the remains of hundreds of missing men. They have also identified hundreds of potential burial sites.

## **The Families**

The families of the missing men have never given up hope of finding their loved ones. They have formed support groups and worked with the search teams to keep the search alive.

The families have also played a vital role in identifying the remains of the missing men. They have provided DNA samples and shared their memories of their loved ones.

The families of the missing men are grateful for the efforts of the search teams. They know that the search is a long and difficult process. But they are hopeful that one day they will find their loved ones.

## **The Legacy**

The search for the missing men of World War II is a story of love, loss, and hope. It is a story that will resonate with anyone who has ever lost a loved one in war.

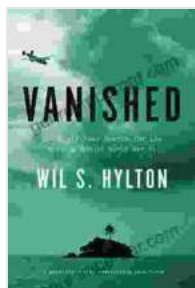

The search for the missing men is also a story of the indomitable spirit of the American people. It is a story of how we come together in times of adversity and work to overcome the challenges that face us.

The search for the missing men of World War II is a story that will continue to be told for generations to come. It is a story that will inspire us to never give up hope, even in the darkest of times.
