

Writing History in the Global Era

A Comprehensive Guide to Historical Research and Interpretation

In an increasingly interconnected world, it is more important than ever to understand the past in a global context. *Writing History in the Global Era* provides a comprehensive guide to historical research and interpretation for students and scholars who want to write about the world's past in a way that is both accurate and meaningful.

This book covers all aspects of the historical writing process, from choosing a topic and conducting research to writing and editing your work. It also includes chapters on the latest developments in historiography, such as the rise of global history and the increasing use of digital sources.
